SELECTED PROJECTS · TRACK RECORD

COMMERCIAL, RETAIL & WORKPLACE

SAMOS designs, structures and delivers commercial and retail environments end to end, now with a registered presence in Saudi Arabia through **SAMOSstructure**.

The portfolio spans shopping malls, office towers, food and beverage clusters, flagship retail and boutiques, corporate offices, banks, recreation and industrial facilities, drawn from the track record of SAMOS and its founding partners across Lebanon, the Gulf, Europe, Africa and wider international markets.

From landmark towers in Riyadh, Milan and Beirut to international retail and hospitality brands, execution is grounded in more than two decades of delivery.

STRATEGIC PARTNERSHIP

In partnership with Dolmen Development UK

Many of the projects in this portfolio were delivered through our close and long-standing partnership with Dolmen Development UK, an engineering, development and construction management firm with a track record across the United Kingdom, the Gulf, Europe and Africa. SAMOS combines origination, structuring and advisory with Dolmen's design, engineering and delivery capability, giving clients a single accountable platform from concept to handover.
